Online Distance Learning Programs

Learn from anywhere, anytime with CU's online distance learning programs.

About CU Online Degree Program

CU Online engages with the best talent from both academia and industry to provide its students with world-class learning experiences and future-ready learning outcomes. The futuristic online learning platform provides students with added convenience and flexibility to pursue their education from anywhere in the world at an affordable rate.

Why choose CU Online Degree Program?

- UGC-recognized online degree programs
- Internationally recognized programs
- Affordable fee with EMI option
- Well Experienced & Qualified Faculty
- Connect with University E-Knowledge Resource System
- Professionally recorded videos with the latest pedagogical
- approaches
- Regular Live interactive sessions with industry experts
- Advanced Learning Management System (LMS)
- 24x7 student support
- Flexible Exam Slot Booking System
- Placement Assistance

Bachelor of Business Administration (BBA)

About The Course: The Bachelor of Business Administration (BBA), is a highly valued professional degree designed to develop the skills required for careers in business and management. It is a three-year curriculum designed to bridge the gap between academic knowledge and its applicability. It is built on a case-based, industry-relevant approach that helps students gain an in-depth understanding of financial management, marketing management, business economics, human resource management, and other disciplines. This program's learning technique incorporates case studies and projects that give learners real-world application of managerial principles and practices.

Duration: 3 Years

Eligibility: 10+2 or its equivalent examination in any stream conducted by a recognized Board / University / Council.
