EMPOWERING STUDENTS to reach their full potential through **ONLINE EDUCATION**

About the university

CU is a known name in the Indian education arena which has consistently delivered excellence in academia, research & placements. **CU** has the distinction of ushering in a new era in higher education by creating a unique, inspirational academic model, coupled with unprecedented industry patronage for experiential learning and unbeatable placements, further supported by outstanding facilities and extensive international partnerships.

About CU Online Degree Program

CU Online engages with the best talent from both academia and industry to provide its students with world-class learning experiences and future-ready learning outcomes. The futuristic online learning platform provides students with added convenience and flexibility to pursue their education from anywhere in the world at an affordable rate.

Why choose CU Online Degree Program?

- UGC-recognized online degree programs
- Internationally recognized programs
- Affordable fee with EMI option
- Well Experienced & Qualified Faculty
- Connect with University E-Knowledge Resource System
- Professionally recorded videos with the latest pedagogical approaches
- Regular Live interactive sessions with industry experts
- Advanced Learning Management System (LMS)
- 24x7 student support
- Flexible Exam Slot Booking System
- Placement Assistance
